

Better World for All....

Take Urgent Action to Combat Climate Change and its Impacts

TEACHING

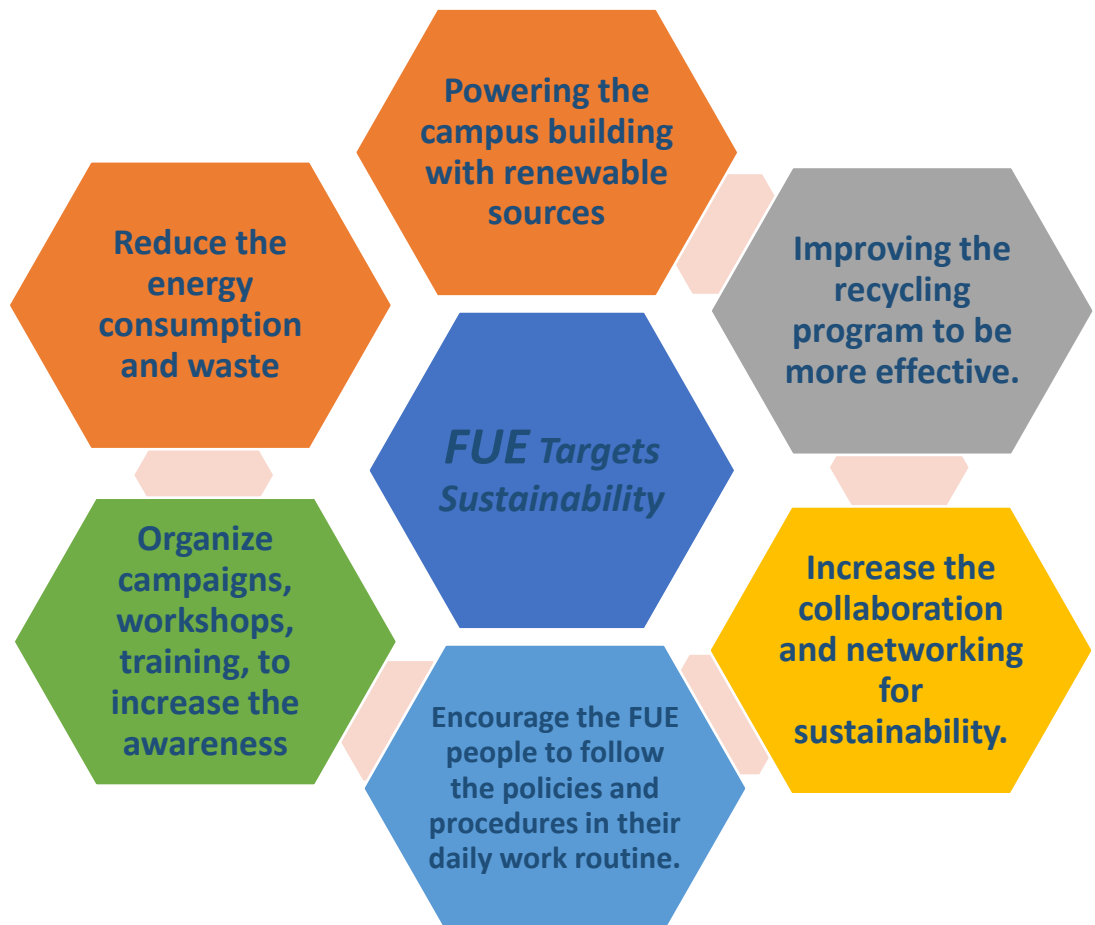

- 122 Course in several disciplines

RESEARCH

- 66 publications

FUE adopted several axes and wide range of programs, plans, and projects towards Net Zero Carbon.

Toward Net Zero Carbon

Increasing the faculty members and professional staff in climate change adaption to improve the teaching, learning, and training both in virtual and face-to-face.

Encourage student mobilities to achieve climate resilience internationalization and resilience practice.

Encourage student organizations to support the sustainability.

Adopt climate action principles and framework towards Zero-Carbon FUE.

Help to bring voices to the UNFCCC COP 27, which will be held in Egypt 2022.
