

## Faculty of Commerce & Business Administration

## **Data Base Systems**

Information :						
Course Code :	MIS 303	Level	:	Undergraduate	Course Hours :	3.00- Hours
Department :	Management Informat	ion System	S			

## **Description :**

The course provides students with a comprehensive introduction to data base concepts. Primary focus is on the relational model of data base management and querying data bases using Structured Query Language (SQL). Existing relational data bases are examined and manipulated, and new relational data bases are created.
