

Faculty of Engineering & Technology

Architectural Design 1

Information :

Course Code : ARC213

Level : Undergraduate

Course Hours : 4.00- Hours

Department : Interior Architecture Engineering

Description :

The main concern and focus of this course is the "Creative Thinking" design process. The design process will focus mainly on methods of generating creative ideas considering simple functional needs, simple structures for small-scale buildings, and simple design problem-solving. The course projects may be a pavilion in a public garden, a bus station, a sightseeing kiosk, a small or medium-span exhibition hall, and similar ones.
