Lecturer	BOTHAINA SAMIH ISMAIL ABOELKHIER BADR	0
Assistant Lecturer	Nouran Ashraf Ali Abdeltawab	
Assistant Lecturer	Nouran Ashraf Ali Abdeltawab	
Teaching Assistant	Omar Magdy Ahmed Ibrahim Elbahrawy	

Description :

The course focuses on the Visual relations of the group of buildings and their conformity with the general layout and context. The design should comprise major elements having wide structural spans and complex relationships. Provision of natural lighting and ventilation, and application of new technologies to enhance design concepts, are important issues in the course.
