

**Faculty of Commerce & Business Administration**

**International Human Resources Management**

**Information :**

**Course Code :** HRM 305

**Level :** Undergraduate

**Course Hours :** 3.00- Hours

**Department :** Human Resources Management

**Description :**

This course provides an introduction to the critical issues facing organizations in simultaneously managing their human resources at home and abroad. It focuses on the connection between corporate strategies and the effective management of human resources, which at times, may require differing policies across countries. The course outline includes emerging trends, global leadership and team development, creating a global mindset, economic and political integration trends, managing performance and repatriating and the transfer of employees, and cross culture management.
