

Faculty of Economics and Political Science

Freedom of Information

Information :

Course Code : PMM 204

Level : Undergraduate

Course Hours : 3.00- Hours

Department : Department of Political Mass Media

Instructor Information :

Title	Name	Office hours
Lecturer	Dina Magdy Maurice Lamay	2

Area Of Study :

By default, citizens have the right to know about themselves, their country, and the performance of the government they chose. However, freedom of information is not a very prevalent concept, especially in the Arab World. This course delves into the pros and cons of governments' decision to allow their citizens free access to information and the implications on national security.
