

Faculty of Economics and Political Science
Conducting Interviews: The Art and Science

Information :

Course Code : PMM 406

Level : Undergraduate

Course Hours : 3.00- Hours

Department : Department of Political Mass Media

Area Of Study :

Starting from how to choose a guest, find him/her, negotiate and prepare questions, until reaching to conducting the actual interview, editing and writing its necessary introduction and interviewee's biography, this course takes students through all this process to allow them to master the skill of conducting interviews, theoretically and practically. Part of the course is dedicated to the actual practice of conducting a successful interview with a chosen figure.

Course Goals:

- ✓ Apply professional standards in conducting interviews.
- ✓ Produce audio and video interviews
- ✓ Prepare questions and modify them throughout the interview
- ✓ Effectively manage interviews

Description :

Starting from how to choose a guest, find him/her, negotiate and prepare questions, until reaching to conducting the actual interview, editing and writing its necessary introduction and interviewee's biography, this course takes students through all this process to allow them to master the skill of conducting interviews, theoretically and practically. Part of the course is dedicated to the actual practice of conducting a successful interview with a chosen figure.
